The Siem Reap Experience

Your TRIPS, privately charter river vessel, the **Siem Reap** was designed to offer the best cruise experience on the Mekong River. Launching in mid-2015 it has been meticulously crafted to offer all the modern features you expect while retaining the colonial charm fitting to Vietnam and Cambodia. Carrying just 36 guests and an English-speaking crew of 24, the ship offers an intimate small-ship cruise experience ensuring you can truly immerse yourself in the culture, people, and sights along the river. While the number of guests on the ship may be small the ship was purposely built as long and wide as other ships that carry twice as many guests so that spaces aren't cramped and crowded. From the air-conditioned Panorama Lounge to the open-air observation lounge there is plenty of seating and spots to relax. And no matter where you sit you will have a great view of the passing scenery. The design also allows her to be the only ship in the industry cruising all the way from **Siem Reap** to Ho Chi Minh City. This eliminates over 7 hours of motorcoach travel time to and from your ship, which means you get to enjoy more cruising!

Stateroom Experience

Your comfortable 245 sq. ft. stateroom features wall-to-wall panoramic window with a sliding glass door to enjoy the scenic Mekong from the comfort of your suite.
